HORSELL COMMON
PRESERVATION SOCIETY

HEATH WEEK

2019

Horsell Hymenoptera (and Other Insects)

Wednesday 31st July 2019, 11:00 – 12:30 & 14:00 – 15:30

Meet us at Heathland House – the large portacabin beyond Prime
Acrobatics at Heather Farm

Join entomologist Andrew Halstead on a gentle ramble onto Horsell
Common to learn about the insects on our local heaths.

A host of solitary bees, robber flies, bee wolves and spider-hunting
wasps are waiting to be discovered!

FREE! Suitable for families – No booking required.
