

Notes:

All dimensions must be checked on site and not scaled from this drawing.

This drawing is not intended to show details of foundations, ground contaminants or conditions. Each area of ground relied upon to support any structure depicted including drainage must be investigated by the Contractor.

The Contractor is to check and verify all building and site dimensions, levels and sewer invert levels at connection point before work starts. The Contractor is to comply in all respects with current Building Regulations, British Standard Specifications and any other Building Legislation pertaining to such building work.

Where necessary brickwork and roof tiles to match existing.

Foul water and rainwater to drain to existing drains

**KEY**

- Made up walkways
- Unmade walkways
- Boardwalks

Rev	Date	Revisions
C	27 Jun 2022	Route key added
B	26 Jun 2022	Amended walkway routes
A	7 Jun 2022	New drawing
